You CAN Talk about Your Business at a Rotary Meeting!

For many years, our Club exacted a fine from any member that mentioned his or her business during a meeting. Part of the logic was that no one should address our meeting, for a non-Rotary purpose, for free. Your Board of Directors has decided to move a little further along that logical path—and at the same time avoid raising the dues or other costs to members—by offering a “Business Minute,” actually 3 minutes during

a meeting, at an appropriate rate, for any member that would like to speak to the Club. Here are the guidelines:

- A member may speak, or present a video, for 3 minutes, and may speak from the podium or from the floor. You may be seated at the headtable if you wish.
- A table will be provided near the door for a display, and brochures may be placed on the tables in the dining room.
- Time will be available when other parts of the program permit. Arrangements should be made with Ann at least two weeks in advance.
- The cost will be \$250 per meeting. This amount is payable to the Club as a contribution to operating expenses, and is not a charitable deduction.
